- 201 Intelligence (General) Intelligence Strategy for 2015 (Oversight of intelligence activities)
- 202 Intelligence Plans and Programs; Tactical Intelligence and Related Activities (TIARA); Joint Military Intelligence Program (JMIP); Integrated Broadcast Services (IBS)
- 203 Joint Intelligence Estimate for Planning (JIEP)
- 204 National and Special National Intelligence Estimates (NIE and SNIE), Intelligence Estimates, National Intelligence Support Teams (NIST)
- 205 Threats and Threat Assessments (Includes estimates and evaluations); HOTSPOTS (regional) briefs/assessments
- 206 Intelligence Reports and Reporting
- 207 Intelligence Requirements - National Intelligence Requirement
- 208 Joint Intelligence Support to Military Operations JT PUB 2-01; Intelligence Cycle
- 210 INTELLIGENCE SUPPORT TO UNIFIED AND SPECIFIED COMMANDS Also Joint Task Forces, Combat Support Agencies, subordinate components of commands
- 211 Intelligence Collection, Production and Dissemination; Collection Management e.g. Tactical Exploitation of National Capabilities (TENCAP); Collection Planning; Management of Battlefield Information Collection Exploitation System (BICES) and other intelligence information collection/exploitation systems; Intelligence Priorities for Strategic Planning (IPSP); Transfer of National Intelligence Collection Tasking Authority to SECDEF CJCSI 3340.01
- 212 Analysis, Evaluation, and Interpretation of Intelligence Data; Joint Intelligence Preparation of Battlespace (JIPB)
- 213 Intelligence Training and Career Development
- 220 INTELLIGENCE DISCIPLINES - Strategic, Tactical and Operational Intelligence; *All Source*

2/7/2008

- 221 Measurement and Signature Intelligence (MASINT)
- 222 Imagery Intelligence (IMINT)
- 223 Open Source Intelligence (OSINT)
- 224 Human Intelligence (HUMINT), Interrogations
- 225 COMMUNICATIONS INTELLIGENCE (COMINT), ELECTRONIC INTELLIGENCE (ELINT) AND SIGNAL INTELLIGENCE (SIGINT)
- 226 Unarmed Flight Surveillance, Open Skies
- 230 . COUNTERINTELLIGENCE (includes electronic and domestic surveillance, wiretaps, shadowing, tailing); DICE (Defensive Information to Counter Intelligence); *Counterintelligence Support to Operations*
- 231 Sabotage, Espionage and Subversive Activities (For terrorist activities, see 549)
- 232 Censorship
- 233 Physical Security of Installations and Buildings; Defense Protective Services; International Security; Entry-Exit Inspection Program
- 240 MAPPING, CHARTING AND GEODESY (including Global Geospatial Information and Services)
- 241 Position Reference And Military Grid Reference System
- 242 Photography (Still, aerial and cartographic aerial, photography equipment and photo interpretation)
- 243 Oceanography and Hydrography (includes ocean and marine resources)
- 245 DEFENSE ATTACHE SYSTEM AND US MILITARY ATTACHES Representational Responsibilities of CJCSI 3310.01
- 250 SECURITY POLICY AND GUIDANCE
- 251 Security (General) regulations and laws, privacy
- 252 Safeguarding Military Information and JCS Papers Regulations and laws, information security, Focal Point Communications, SCI, Intel Info, Codes, Special Access Program (SAP); Information Security Program; *IJSTO*
- 253 Security Violations (Disclosure, leaks, compromise of classified information and report of investigations, contractor violations)

2/7/2008

- 254 Defense Classification and Declassification; Mandatory Declassification Review (MDR) and Security Review (SR) (010/254); Security Classification Policy for MIRV and MARV; Nuclear Weapons Security Classification (710/254)
- 255 Destruction of Classified Documents/Material
- 256 Security Clearances of Personnel/Access to Classified Information (Personnel Security Program)
- 257 Security Passes And Identification for Restricted Areas; Surveillance/ID technology
- 258 International Documents of Central Treaty Organization (CENTO), Southeast Asia Treaty Organization (SEATO) (disestablished) and North Atlantic Treaty Organization (NATO) (Includes subregistries, security procedures and inspections thereof); release of NATO documents to foreign countries
- 259 Security Protection for VIPs (President, Vice President and Foreign dignitaries - military and civilian)
- 260 ANTITERRORISM AND FORCE PROTECTION (defensive measures to reduce vulnerability to individuals and property/Safety of U.S. Forces and Civilians Worldwide); Force Protection Equipment (e.g. NEO/CB protective masks); Monthly Reports 260/055. Force Protection Conditions (FPCON) (See also Counterterrorism (549) (offensive measures to prevent, deter, and respond to acts of terrorism)
- 265 DISCLOSURE POLICY
National Disclosure Policy (NDP-1) and the release and/or exchange of all types of information to foreign governments and international organizations. (For release of price and availability data, technical data, and demonstration data prior to EMS, use 495) For release of documents to public or US government, use 068, 069, and 085; for release of NATO documents, use 258
- 270 SPECIAL INTELLIGENCE (SI) AND SPECIAL SECURITY OFFICE (SSO)
- 271 Special Security Controls On Special Equipment And Weapons Systems - Operations Security (OPSEC); Joint Operations Security
- 272 Computer Security, Security of ADP (Computer) Equipment, Systems & Software; Automated Information Systems Security/Assurance; Information Security (data base information); Public Key Infrastructure (PKI)

- 290 FOREIGN AND INTERNATIONAL INTELLIGENCE (for purpose of gathering information on capability, intent, actions of foreign powers/persons)
- 291 Canada-United States Intelligence Estimates (CANUS)
- 292 Foreign and Enemy Forces, Order of Battle (ORBAT), Equipment and Weapons (includes estimates), After 1 Nov 86, use 374 for NATO and US ORBAT
- 293 Exploitation of Captured Enemy Documents; *Discovery exploitation, and elimination operations*
- 294 Foreign and Enemy Operational Capabilities (includes US and Allied studies on enemy operational and intelligence capabilities)
- 295 Foreign Personnel in Continental United States (CONUS) (Control, restrictions and travel)
- 296 Aliens and Foreign Personnel (Foreign scientists, professionals, youth and youth organizations, immigrants, resident status for, naturalization of); Intelligence collection on for law enforcement agencies
- 297 Foreign Scientific and Technical Intelligence; Foreign Materiel Program, processes, procedures, collection

(Includes post-hostilities, preservation of the peace, cease fire and bombing pause), and violations thereof)
- 306 Revolution in Military Affairs (RMA) (Operational concept for fighting war in the future, broader than JV2010, C4IFTW; came out of QDR; includes Joint Experimentation; Joint Advanced Warfighting Program (OSD/IDA); Army's Force XXI Initiative; Navy's Network Centric Warfare Program (sensor to shooter concept); NATO's Reaction Force XXI; Fleet Battle Experiments; Air Force Air Expeditionary Warfare Experiments; Marine Corps Warfighting Laboratory; Battle Management)
- 307 Limited War/Conventional War (Armed conflict short of general war, exclusive of incidents, involving overt engagement of military forces of two or more nations) Forcible Entry Operations (involves unilateral action, could use unconventional forces) Bosnia (unsecure) Iraq (secure)
- 308 Cold War (Short of overt armed conflict) e.g. North Korea/South Korea; China/Taiwan

2/7/2008

- 309 Aggression and Invasion e.g. Iraq/Kuwait; Afghanistan
- 310 SPECIAL OPERATIONS, PLANS AND ACTIVITIES
(Covert and overt; cover and cover support)
- 311 Unconventional Warfare (paramilitary and guerrilla operations; insertion operations) e.g. Angola
- 312 Psychological Warfare/Operations (propaganda) (PSYOPS);
Overt Peacetime Psychological Operations Programs
- 313 Chemical, Biological and Radiological (CBR) Warfare;
Chemical/Biological Defense (Includes use of riot/tear gases and chemical agents - equipment and tests - contamination, protection, and decontamination) (nonproliferation issues); Fourth Generation Agent (FGA) For chemical/biological weapons (CBW), use Weapons of Mass Destruction (WMD) 728; For Chemical Weapons Convention (CWC) and Biological Weapons Convention (BWC) see 729.
- 314 Information Operations/Information Warfare (Actions taken to achieve information superiority by affecting adversary information, information-based processes, information systems, and computer-based networks while leveraging and defending one's own information, information-based processes, information systems, and computer-based networks); Computer Network Attack (CNA) (J-3); Computer Network Defense (CND) (J-6); Computer Network Operations (CNO); Joint Reserve Component Virtual Information Operations (JRVIO) Organization
- 314.1 Command and Control Warfare (C2W) (Integrated use of OPSEC, military deception, PSYOP, EW, and physical destruction mutually supported by intelligence to deny information to, influence, degrade, or destroy adversary C2 capabilities; command and control warfare is an application of Information Warfare in military operations and subset of Information Warfare)
- 315 Counterinsurgency and Insurgency
- 316 Counterinsurgency Programs, Military/Civil Actions
- 317 Internal Defense Plans (US Overseas Internal Defense Plans)
- 318 Evasion and Escape (E&E) and Combat Search and Rescue Operations (CSAR) (Personnel recovery umbrella term)
- 319 Revolutionary Development (Civil action/pacification/hamlet/villages) e.g. Cuban overthrow by Castro

2/7/2008

- 320 MILITARY OPERATIONS, STRATEGY AND TACTICS, CONCEPTS
(Includes operational orders (warning, planning, alert, deployment prep, deployment/ redeployment, execute); air tasking orders (ATO); Studies/evaluations of operations; follow-on forces attack (FOFA)); NSC use of force procedures requiring Presidential Decision
- 320.1 Dominant Maneuver (also Dominating Maneuver OSD/Army series of workshops)
- 320.2 Force Application (formerly Precision Engagement)
- 320.3 Full Dimensional Protection
- 320.4 Focused Logistics
- 320.5 Battlespace Awareness
- 320.6 Net centric Operations
- 321 Demilitarized Zones (DMZ); Infiltration and Barrier Systems (Practice Nine Operation)
- 322 Joint Operations/Doctrine For JT PUB 3-0
- 322.1 Military Operations Other Than War (MOOTW); Complex Contingency Operations (Operations that encompass the use of military capabilities across range of military operations short of war; goal to deter war and resolve conflict, to promote peace; involves POL-MIL; Foreign Internal Defense (FID); *Civil affairs in foreign countries*; Can include peace enforcement & peacekeeping (543), humanitarian aid (359), disaster relief (356), civil support (355), counterterrorism (549), strikes & raids (depends on nature of mission-can include 310, 311, 322.2, 323, etc), show of force (381), sanctions/embargoes (542), blockade/containment (329), NEO (357), etc. (for packages on specific topic, use individual numbers)
- 322.2 Land and Littoral Warfare; Urban Warfare; Military Operations on Urban Terrain (MOUT); Realistic Urban Training (RUT); Civilian Urban Operations (CUO)
- 322.3 Coalition Warfare/operations (US requests for foreign nation assistance in coalition operations) (Use 543 for availability/planning of US forces in multinational, international, internal police operations)
- 322.4 Combined and Joint Force Operations Joint Force Operations
- 323 Air Warfare (Strikes) and Air Support Operations (Air

2/7/2008

defenses, tactical, strategic, and close air support)
(For Air defense of CONUS use 302); Counter Air
Operations offensive and defensive -EW, SEAD,
Fighter/Escort/Sweep; Interception; Detection & Warning;
NBC facilities hardening, camouflage, reconstitution

- 323.1 Air Defense Systems (R&D testing); (Use also for integration of PFP country systems into NATO (NATINADS))
- 324 Army Ground Warfare and Ground Support Operations
- 325 Naval Warfare and Naval Support Operations
- 325.1 Ship Self-Defense (against missile attacks)
- 326 Marine and Marine Support Operations
- 327 Airborne/Airlift and Airborne/Airlift Support Operations
- 328 Amphibious and Amphibious Support Operations
- 329 Maritime And Maritime Support Operations (Includes blockade operations; multinational interception operations; patrols); for Visit and Searches and Consensual Boardings use 398)
- 330 Submarine and Antisubmarine (ASW) Operations (Now Undersea Warfare)
- 331 Mine Warfare and Mine Operations (Land mines and mine sweeping; bans on Antipersonnel Land Mines (APL); for APL Treaty negotiations, use 331/539; Under water/sea mines and jamming of
- 332 Reconnaissance Flights and Operations (Includes Surveillance); Joint Reconnaissance Center; also Global Reconnaissance Information System (GRIS); Peacetime Reconnaissance & Certain Sensitive Operations; Policy Guidance for Sensitive Airborne & Maritime Reconnaissance Operations; (For Intelligence, Surveillance and Reconnaissance (ISR) Operations, the melding of J-2, J-3 sensor to shooter concept, use 210 Intelligence Support to Unified and Specified Commands)
- 333 Rules of Engagement (used in Armed Conflict)
- 333.1 Use of Force (used in Counterdrug and Civil Operations) Also use of warning shots & firearms by law enforcement personnel on ships
- 334 Command Relationship Agreement (CRA), Senior War Planner, Central Intelligence Agency (CIA) matters
- 335 Code Words and Nickname

2/7/2008

- 336 Weather, Meteorology (Includes equipment, weather stations); *Air and water pollution (natural)*; Recovery operations due to environmental crises. (For global warming and environmental contamination/remediation due to pollution, hazardous waste and toxic materials, carbon dioxide emissions, greenhouse gases use 451); UN Convention on Climate Change, use 451/539.
- 337 Progress and Evaluation of General Operations (reports) (Includes operational procedures), (Situation reports on current ops vice SITREPS on foreign countries 299); Preparedness Evaluation System
- 338 TARGETS AND TARGET PLANNING/Concept of Operation Options (Includes National Strategic Target List (NSTL), Targeting (Underground Facilities; Hard & Deeply Buried Target Defeat Capability (HDBTDC); Interdiction; and ACE DGZ File); Collateral Damage; Sensitive targets/targeting
- 339 Single Integrated Operational Plan (SIOP); Development and Release of Red Integrated Strategic Offensive Plan (RISOP); CJCS Red Future Analytic Strategic Target List; and CJCS Guidelines for Reporting SIOP Pre-launch Survivability
- 340 Contingency and operation plans (CONOPS/OPLANS) of the unified and specified commands; CJCS CONPLAN 0500; Concept for operations; Contingency Planning Guidance (340/552); Deliberate Plan Status Reports (340/055); Deliberate Plans and Planning; Support Plans; Post-hostilities planning (if US-led); *Multi-Service Force Deployment (MSFD) Documents*
- 340.1 US Army Forces Command (USFORSCOM) OPLANS/CONPLANS
- 341 Northern Command (USNORTHCOM) OPLANS/CONPLANS (prior to March 2002, use for Alaskan Command (ALCOM) OPLANS/CONPLANS-Disestablished 1 July 1975)
- 342 US Atlantic Command (USLANTCOM) OPLANS/CONPLANS
- 343 US Southern Command (USSOUTHCOM) OPLANS/CONPLANS
- 344 Air Defense Command (ADCOM) and North American Air Defense Command (NORAD) OPLANS/CONPLANS (Changed to Air Defense Command, CINCAD, 1 July 1975)
- 345 US European Command (USEUCOM) OPLANS/CONPLANS
- 346 US Pacific Command (USPACOM) OPLANS/CONPLANS
- 347 US Central Command (USCENTCOM) OPLANS/CONPLANS

2/7/2008

- 347.1 US Joint Forces Command (UJFCOM) OPLANS/CONPLANS
- 348 US Strategic Air Command (SAC) OPLAN/CONPLANS
- 348.1 Air Combat Command OPLANS/CONPLANS
- 348.2 US Strategic Command (USSTRATCOM) OPLANS/CONPLANS
- 349 US Readiness Command (USREDCOM)/Middle East, Southern Asia, and Africa South of the Sahara OPLANS/CONPLANS; Command inactivated 1 July 1987
- 349.1 US Special Operations Command (USSOCOM) OPLANS/CONPLANS
- 350 OPLANS/CONPLANS From Other Commands And Agencies
- 350.1 Allied Command Channel (ACCHAN) OPLANS, SUPPLANS, etc.
- 350.2 Major NATO Commander Plans (MNC) (all U.S. Commanders)
- 350.3 Allied Forces, Central Region (AFCENT) Plans
- 351 Military Airlift Command (MAC) OPLANS/CONPLANS
- 351.1 US Transportation Command (USTRANSCOM) OPLANS/CONPLANS
- 351.2 Air Mobility Command OPLANS/CONPLANS
- 352 US Space Command (USSPACECOM) OPLANS/CONPLANS
- 353 Allied Command Atlantic (ACLANT) SUPPLANS, OPLANS, etc.
- 354 Allied Command Europe (ACE) SUPPLANS, OPLANS, ETC
- 355 *DOMESTIC CIVIL DEFENSE AND PLANNING AND CIVIL AFFAIRS*
(Employment of DOD/military assistance to civil law enforcement agencies (LEA); Homeland Defense (502); Disaster/Disaster Relief (356); Domestic Emergencies/Domestic Support Operations (358); Support to drug law enforcement agencies (DLEA) (545); Terrorism and Consequence Management (CBRNE, WMD/CST) (549); Crisis Management; (396)
- 356 Disaster and Disaster Relief, Earthquakes, Natural Disasters
- 357 Evacuation and Protection of US Personnel (in US and overseas), and Key Indigenous Personnel; Non-combatant Evacuation Operations (NEO); Hostage Rescue/Recovery
- 358 Domestic Emergencies (Civil demonstrations, strikes, disturbances, riots and coups)

- 359 HUMANITARIAN ASSISTANCE (JT PUB 3-05-cancelled, replaced by JT Pub 3-05.1) (Conducted to relieve or reduce results of natural or manmade disasters or other endemic conditions such as human pain, disease, etc.)(Use also for Overseas, Humanitarian, Disaster, Civil Affairs (OHDA) projects and requests for funding/realignment in support of)
- 359.1 HUMANITARIAN and CIVIC ASSISTANCE OPERATIONS (JT PUB 3-05.3-pub cancelled, now see JT PUB 3-05.1)(Conducted in conjunction with exercises and operations-training element involved)
- 360 WORLDWIDE MILITARY COMMAND AND CONTROL SYSTEM (WMMCCS)(replaced in AUG 96 with Global Command and Control System (GCCS) 364); National Military Command System (NMCS); *National Command Authority*
- 361 National Military Command Center (NMCC), NMCC-Message Center, NMCC Support Center and NMCC Operational Summary (OPSUM) reports; for National Operations Summary (NOS), use 010/361
- 362 National Airborne Operations Center (NAOC) (formerly National Emergency Airborne Command Post (NEACP)); National Emergency Command Post Afloat (NECPA) (Disestablished 1969); Alternate NMCC (ANMCC) (Site R); Alternate Joint Communications Center (AJCC); Worldwide Airborne Command Post (WWABNCP); *Survivable Mobile C2 Center; Take Charge and Move Out (TACAMO)*
- 363 Alternative Command Posts and Centers of the Unified and Specified Commands
- 364 Command and Control (Use for Global Command and Control System (GCCS) operating system part of JOPEX (367) major component of Defense Information Infrastructure (DII) (683) supporting C4I/FTW (368). Includes operational control/management of equipment, facilities, systems & plans. Command Arrangements for Dual-Based Forces. Theater Battle Management (use 724 for nuclear command and control)
- 365 Recovery, Relocation and Reconstitution and Continuity Of Operations (COOPS); Continuity of Operation Plan for JCS; Basic Planning Directive for Civil Defense, Recovery, Reconstitution; National Security Emergency Preparedness
- 366 Command, Control, and Communications System (C3S) Programs (includes NATO Air Command and Control Systems (ACCS) documents); (Used also for Command, Control, Communications, and Intelligence (C3I); for Coordination of US C3 Position in International Forums, use 366/541

2/7/2008

- 367 Joint Operational Planning and Execution System (JOPES)- Secret high computer systems for OPLAN development. Software application produces TPFDD; Includes Joint Deployment Management System; Joint Deployment Process
- 368 Command, Control, Communications, Computer (C4) and Command, Control, Communications, Computer, and Intelligence Systems (C4I). Use also for C4IFTW and C4ISR operational architectures; and the management of defining joint mission areas for C4S, C4I, and C4ISR interoperability within Global Information Grid; Joint Mission Area Analysis; Joint Operations Concept Paper (JOPSC) (future joint force)
- 369 Tactical Command and Control Systems (Includes JINTACCS, JTIDS, etc.; mobile command centers)
- 370 ARMED FORCES OF THE UNITED STATES or NATO, NATO Military Appreciation documents, reorganization of armies, etc.; use 040/370 for Unified Command Plan (UCP)
- 371 Unified Actions Armed Forces (UNAAF)
- 372 FORCE POSTURE (sourcing for mission goals), Strength and Levels (Prior to Nov86 included force objectives and goals). Used for composition of quick reaction and rapid reaction forces (QRF/RRF) in contingency operations (e.g. Haiti, Somalia); Drawdown of forces (affecting Force Presence in a region or AOR); Availability of U.S. forces in NATO non-article V operations; Rationalization of forces (Task Force oriented)
- 373 FORCE STRUCTURE - Strategic Forces, General Purpose Forces and Other Types of Forces, (Includes specifics/functions); Force Structure and Force Mix Studies; Forces for Unified Commands;
- 374 Readiness and Status of Forces (General) Deployment/redeployment (OPTEMPO/PERSTEMPO); Warfighting capabilities (current ops); Operational Availability; rapid reinforcement; US and Allied Order of Battle (ORBAT); (emphasis here is how well a unit is trained, equipped to carry out mission); Also used for Bottom-Up Review (BUR); Joint Monthly Readiness Report (JMRR); and (Global) Status of Resources and Training System (SORTS)/GSORTS; CJCS Readiness System, Global Military Force Policy (GMFP); Universal Joint Task List; Risk/Risk Assessments (CJCS Risk assessment (CRA) - 021/374); Combat Support Agency Review Team (CSART) assessments; Global Joint Force Presence Policy (GJFPP)
- 375 Army Forces (Deployment, strength, readiness, stationing and movement)

2/7/2008

- 376 Air Forces (Deployment, strength, readiness stationing and movement)
- 377 Marine Forces (Deployment strength, readiness stationing and movement)
- 378 Naval Forces (Deployment strength, readiness, stationing, movement), includes Coast Guard Forces, STANAVFORLANT, GNFPP
- 379 Reserve Forces, National Guard and Air National Guard (Troop #s in operations) *Troop rotation*
- 380 Training and Training of Forces (operational - unilateral or one service); Joint Combined Exchange Training (JCET) (OPS side of Theater Engagement Planning (TEP)); Joint Authority Document (JAD) for JCET; for monthly JCET JAD packages, use 040/380
- 381 Demonstration of Forces and Participation (Show of force) e.g. Use of Turkish bases for Air Cover OPS in Bosnia and Kosovo; Demarche to Iraq NFZ violations); *Flexible Interruption Options*
- 382 Mobilization and Demobilization of Forces (Active/Reserve Planning - Selective, Partial, Full, or Total); authorization ceilings; Master Mobilization Plan (supports plans of the Combatant Commanders); Force Closure
- 383 Unconventional Warfare and Unconventional Warfare Forces; Special Operations Forces; SEALs
- 384 Force Planning, Objectives, and Goals; Roles and Missions
- 385 EXERCISES AND MANEUVERS (Critiques, Command Post Exercises (CPX), exercise observers, and others; Joint/Combined Exercises (involves players from more than one agency/service); PFP Exercises (use Country or Combatant Commander/385)
- 386 War Gaming; Competitive Strategies; Simulation (Includes planning and joint war games); Use also for computer models of war games); see 688 for other types of models
- 387 Withdrawal of Forces, Observers; Extraction Operations
- 388 Accidents and incidents related to operations; aircraft accidents (non-nuclear); aircraft-related mishaps in which fatalities or injuries were caused by another service's aircraft; friendly fire; non-aviation accident to include ground and afloat mishaps; Accident assistance (judicial, investigative, expertise)

2/7/2008

- 390 EMERGENCY ACTION PROCEDURES AND CHECKLIST (EAP Staff Visits and Assessments)
- 391 Alerts and Defense Readiness Condition (DEFCONS) (Readiness and alert of commands); CJCS Alerting System NATO Precautionary Measures
- 392 Attacks by Aircraft/Missiles and Surprise Attacks; US Action in the Event of Cuban Attack on US Aircraft/Ships
- 393 Alerts (Use for non-DEFCON type papers)
- 395 INTERNATIONAL PLANNING AND PLANS - Bilateral Planning (US-UK, US-CANUS and OTHERS); Basic US-CANUS Security Plan
- 396 Courses of Action during Periods of International Tension and Crisis; Contingency Planning; for Contingency Planning Guidance (subset of DPG), use 340/552
- 397 Crisis Management and Emergency Procedures Standard Operating Procedures; Crisis Staffing Procedures for CJCS; Nuclear Operations Group, JCS Element for Nuclear Matters During Crisis; NATO Crisis Response System;
- 398 Search & Seizure; Visits and Searches; Consensual Boardings
- 399 LESSONS LEARNED FROM OPERATIONS AND CRISIS (Includes comparisons and evaluations of conflict areas); Remedial Action Project Program (RAPP) recommendations); Joint After Action Reporting System (JAARS); Joint Universal Lessons Learned System(JULLS); Joint Center for Lessons Learned (JCLL)

400 LOGISTICS, BASES AND SERVICES

- 400 LOGISTICS POLICY AND GUIDANCE
- 401 Logistics (General)
- 402 Logistics Requirements, Readiness, And Resources (includes LOGSTARS)(logistics capabilities and status for deployed forces) Sustainment; Focused Logistics
- 403 Logistical Support of Command Plans and Logistics Plans Lead Nation Support/Role Specialist Nation; Joint Doctrine for Civil Engineering Support (JT Pub 4-04)
- 404 Logistical and Administrative Support (Includes fiscal arrangements, uni-service support by one of the military services, facilities, fiscal and personnel support)
- 405 Resources (General and Natural Resources of the United States) Conservation issues; (For Foreign Resources, other than NATO countries, use 534)
- 406 NATO/Allied Resources
- 407 MODERNIZATION (Use w/ acquisition reform (414), logistics modernization (402), and reengineering (408). Can be used with force structure (373), weapons systems infrastructure (480), and information technology infrastructure (683) modernization
- 408 Business Process Engineering/ Restructuring/Performance results (mission)
- 409 Operational Test & Evaluation (OT&E)
- 410 RESEARCH AND DEVELOPMENT (GENERAL) (Includes Development Concept Papers (DCP), R&D test and evaluation (RDT&E)) (For nuclear development, use 711)
- 410.1 Advanced Concept Technology Demonstration (ACTD)
Advanced Technology Integration Demonstration (ATID)
- 411 Joint Research and Development Objectives Document (JRDOD)
- 412 Interoperability/Standardization (Use for equipment, munitions, and armaments, etc,). Standardization Agreements (STANAGS). Rationalization, Standardization, Interoperability (RSI); For Terminology use 061 and for computer data standardization use 685
- 413 Reserve Planning and Policy (Equipment and systems)

2/7/2008

- 414 ACQUISITION/PROCUREMENT (Management and Policy)
 - 414.1 Joint Capabilities Integration and Development System (JCIDS) (formerly Requirements Generation System/Process); Integrated Product Team (IPT) review of milestones
 - 414.2 Mission Need Statements (MNS) (formerly Mission Essential Need Statement (MENS) Joint Mission Essential Task List (JMELT); MROC/ROC)
 - 414.3 Operational Requirements Document (ORD)
 - 414.4 CAPSTONE Requirements Document; Joint Operations Concepts (formerly Joint Conops)
- 415 PRODUCTION AND CONTRACTING (Includes privatization and outsourcing, contractors and consultants); *Contract Advisory and Assistance Services (CAAS)-415/572*
 - 415.1 Industrial Base and other related issues (Includes surge production and manufacturing shortfalls)
- 416 Storage and Stockpiling, Depots and Pre-positioning, War Reserve Materiel (WRM)
 - 416.1 Equipment and Afloat Ships (EAS)
 - 416.2 Mobile Offshore Basing Options (MOB) (BARGE); Sea-basing
- 417 Disposal, Surplus, Salvage and Abandonment; Excess Property Programs
- 418 Priorities and Allocation Issue (Military Urgencies List (MUL), Military Standard Requisitioning and Issue Procedure (MILSTRIP) and Force-Activity Designator (FAD) for materiel requirements; Defense Priorities and Allocation System
- 419 Strategic Materiel and Mobilization Reserve Stocks
- 420 Construction and Protective Construction (military/civil) (aircraft/bomb shelters/bunkers) MILCON
- 421 Buildings, Quarters And Housing (Military Housing Initiative)(QOL initiatives)
- 422 Hardened Structures/Equipment/Underground facilities/Embedding
- 425 Medical and Hospital Services (Includes health, sanitation and disease (AIDS, HIV); Gulf War Illness 888/425; Anthrax Vaccination Plan 313/425; Medical readiness; Force Health Protection; Tricare

2/7/2008

- 425.1 DNA, Genes, Genetic Studies, Cloning
- 426 Animals and Control/Disease/Veterinary Services (Sentry dogs, etc.) Research; Foot & Mouth
- 427 International Tragedies, to include Mortuary and Interment Assistance; Disaster Assistance (notification/family assistance) for Aviation Mishaps; Veterans graves, national cemeteries, and memorials; Memorial structures; fly-overs
- 428 LOGISTICS, DISTRIBUTION, AND AUTOMATED INFORMATION SYSTEMS - Global Combat Support System (GCSS) (Major component of Defense information Infrastructure supporting C4IFTW); Joint Theater Distribution System (JTDS); IT4, IT for Deployment, Force Tracking and Sustainment
- 430 SUPPLIES, MATERIEL, EQUIPMENT AND MAINTENANCE (GENERAL) Materiel and Distribution Management; Total Asset Visibility (subsets Joint Total Asset Visibility) and Joint Personnel Asset Visibility (force/skills) systems) Reception, Staging, Onward Movement, Integration (RSOI)
- 431 Levels of Supply, Tables of Allowance (TA) and Table of Equipment (TOE)
- 432 Lines of Communications (Supply routes, pipelines and replacement and consumption
- 433 Maintenance and Repair
- 434 All Other Types of Supplies, Materiel and Equipment (For Communications & Electronics (CE) use subject index and separate numbers) Cargo Handling Equipment (CHE) (MHE)
- 435 Shortages and Critical Items (Includes chromium, gold, copper)
- 436 Water Shortages/Supply, Potable Water, Fresh Water
- 437 DOD Utility Systems Reform - (Includes electric/emergency power/water/water waste/natural gas)
- 439 Private property (Includes cultural, private and commercial, industrial real estate and expropriations)
- 440 TRANSPORTATION POLICY AND GUIDANCE (GENERAL)
- 441 Movement Capabilities (MOVECAP Plan)

2/7/2008

- 442 Strategic Mobility (Movement planning & studies e.g. Mobility Requirements Study); Rapid Reinforcement Forces (RRF) (NATO); Force Protection for Strategic Mobility Assets
- 443 Transportation Plans to Support Command Plans
- 444 Transportation Resources and Traffic Management (MTMC), ADP Data Systems for Transportation
- 444.1 Defense Transportation Tracking System/Global Transportation Network; Total Asset Visibility
- 445 Airlift Air Transportation; DIA Special Category Mission Request; JS MILAIR Reporting (020/445); for Humanitarian Assistance Airlift Operations, use 359

- 655 Deception; Joint Military Deception Study
- 656 Joint Surveillance and Target Attack System (JSTARS) and other ground surveillance systems; CFC counterfire capability/near real time wide area surveillance and targeting
- 657 Sensors-Network Centric Sensors (targeting)-Network Centric Shooters (see also 306)
- 658 Emitters, NATO Emitter Data Base
- 660 ELECTRONIC NAVIGATION; Global Positioning System (GPS) Navigation Warfare (NAVWAR)
- 661 Military and Civil Aerospace Management and Air Traffic Control (Includes Civil Aviation and Federal Aviation Administration matters, e.g. Wide Area Augmentation System (WAAS)); *National Airspace System (NAS)*; Civil Reserve Air Fleet (CRAF); Air Surveillance ASOC) Systems (NATO) (for Overflights use 722)
- 662 Identification, Friend or Foe (IFF) and Selective Identification Feature (SIF); also homing devices; Combat Identification; Blue Force Tracking
- 663 Long Range Navigation (LORAN) System
- 664 Radar and Sonar (THAAD)
- 665 Moving Target Indication (MTI) Radar (w/surveillance systems like JSTARS)
- 670 Electromagnetic characteristics, properties, and impacts to include protection systems; CJCS Prioritization of C3 Nodes and Systems for High Altitude Electromagnetic Pulse Protection; Electromagnetic Spectrum Use in Joint Military Operations (see 030 for Joint Spectrum Center)
- 671 NMCC "HEMP" Shielded Enclosure
- 675 Electronic Equipment (all except those listed separately)
- 680 GLOBAL INFORMATION GRID (GIG) POLICY, GUIDANCE, DOCTRINE Global Information Grid Architecture (Includes):
- 681 INFORMATION MANAGEMENT POLICY AND PROCEDURES (Resources and business processes-people and funds)(functional and technical integration, analysis and planning, software engineering, methods modernization)

2/7/2008

- 682 INFORMATION TECHNOLOGY (Includes management and oversight of projects and programs as well as products; e.g. Year 2000 (Y2K) software; Smart Card; Personnel Asset Carrier)
- 683 DEFENSE INFORMATION INFRASTRUCTURE (Military's information highway -supports C4IFTW; major components include Defense Information System Network (DISN) 611; Global Command and Control System (GCCS) 364; Defense Messaging System (DMS) 621; and Global Combat Support System (GCSS) 428; common operating environment (COE)
- 684 Automatic Data Processing (ADP)/Computers - General
- 685 ADP/Computers (Includes digitalization, data storage, data codes, data standardization, programs (software and languages); (Application of information technologies that enable battlefield systems to acquire, exchange, and employ information throughout battlespace
- 686 ADP/Computer Equipment (Hardware)/Facilities
- 687 ADP/Computer Systems/Networks (Use for Automated Information Systems (MAIS), (JSAN), (JSAP) information exchange/integration/interoperability; enterprise solutions; E-mail; SIPRNET/NIPRNET; DOD Intranet ; Information systems certification/accreditation; Key Performance Parameters (KPP); Advanced Distributed Learning (ADL) Networks
- 687.1 Configuration Management (ADP/Computer Systems/Networks (identification/documentation of functional requirements and capabilities of models, simulation, databases and changes to)
- 687.2 Concept Interoperability Demonstrations (e.g. JWID)
- 688 Mathematical Models, Computerized Simulation, Joint Modeling Simulation Management; Joint Simulation Systems (JSIMS); Computer Assisted exercises/training (for war gaming models, see 386)
- 689 CIM (Corporate Information Management)-OSD Initiative/disestablished. Concerned with functional process improvement, migration systems, data standardization; see Global Information Grid (380)
- 690 INTERNATIONAL AND FOREIGN COMMUNICATIONS AND ELECTRONICS
- 691 Information Assurance; Cyber Intrusion Action Plan; Cybersecurity; Protection of C4 type systems, information systems networks, and telecommunications; for Computer Network Attack/Computer Network Defense (CNA/CND), use 314

2/7/2008

691.1 Battlespace Information Dominance/Superiority/Awareness
(combining of communication/computer environment, ISR,
and IO to dominate the battlespace)
