Mr. Kissinger/
The President

K: Mr. President.

P: Oh Henry, I was thinking - you know Fisher will be coming in having won that chess thing sometime. And I want you to see if we can get the other fella to come to.

K: Spassky.

P: Yes, you know what I mean.

K: Right.

P: They have had a long match, etc.

K: No, we better not Mr. President because Spassky is thinking of defecting and we better stay away

P: Oh, is he.

K: Yes.

P: OK. Thanks.
